FY2015 Add Four New Statewide Residential Programs Located in Anchorage, Bering Strait, Chugach, and NW Arctic School Districts (continued)

*School District applied and were approved.*

*Under this program, school districts are reimbursed a per pupil monthly stipend for a nine-month year; the stipend rate is set in statute. The program also provides for one round-trip ticket per student, at the least expensive means, between the student's community of residence and the school.*

*Each program has a maximum capacity for reimbursement based on the district's approved application; actual reimbursement is based on an October student count. The current capacity under this program is: Galena 210, Lower Kuskokwim 35, and Nenana 88. The FY2014 appropriation of \$3,749.5 funds these three programs (\$3,563.6) and the Boarding Home Program (\$185.9).*

*AS 14.16.200 was amended to: allow for residential schools rather than residential programs; remove the limit on the number of residential schools that may be approved by the department; and allow for district-wide residential schools as well as schools that are variable-length or 180-day school terms, but still operate for a full school year, to qualify.*

*Prior to AS 14.16.200 being amended, the statutes allowed the department to approve up to three district-operated statewide residential education programs that began operating after January 1, 2005. From January 30, 2013, through March 25, 2013, the department held a period of open applications for approval to operate a statewide residential educational program.*

*As a result of that period of open applications, the department received and approved four additional statewide residential educational program applications. The school districts that were approved and their capacity are as follows: Anchorage 4, Bering Strait 26, Chugach 24, and Northwest Arctic 40.*

*The additional \$961.3 will fund these four new programs and provide them with the per pupil monthly stipend and one round-trip ticket per student, at the least expensive means, beginning in FY2015. Without this funding, these school districts may not have sufficient funding to run these residential schools.*

*The statewide residential educational program was enacted through AS 14.16.200, State funding for districts operating statewide residential educational programs. The initial legislation, which was effective beginning in fiscal year 2007, allowed for up to three programs that had been established prior to January 1, 2005, to apply to the department for approval. The Galena City School District, Nenana City School District, and Lower Kuskokwim School District applied and were approved.*

*Under this program, school districts are reimbursed a per pupil monthly stipend for a nine-month year; the stipend*

FY2016 Funding for New Residential Program in Lower Kuskokwim and Expanded Program in Nenana (continued)												
<i>rate is set in statute. The program also provides for one round-trip ticket per student, at the least expensive means, between the student's community of residence and the school.</i>												
<i>Each program has a maximum capacity for reimbursement based on the district's approved application; actual reimbursement is based on an October student count. The current capacity under this program is: Galena 210, Lower Kuskokwim 35, and Nenana 88, Northwest Arctic 40, Chugach 24, Bering Strait 26 and Anchorage 4. The FY2015 appropriation of 6,960.3 funds these seven programs (6,774.4) and the Boarding Home Program (185.9).</i>												
<i>AS 14.16.200 was amended to: allow for residential schools rather than residential programs; remove the limit on the number of residential schools that may be approved by the department; and allow for district-wide residential schools as well as schools that are variable-length or 180-day school terms, but still operate for a full school year, to qualify.</i>												
<i>Prior to AS 14.16.200 being amended, the statutes allowed the department to approve up to three district-operated statewide residential education programs that began operating after January 1, 2005. From June 1, 2014, through July 30, 2014, the department held a period of open applications for approval to operate a statewide residential educational program.</i>												
<i>As a result of that period of open applications, the department anticipates approximately 50 additional statewide residential students.</i>												
<i>The additional 736.1 will fund the programs and provide them with the per pupil monthly stipend and one round-trip ticket per student, at the least expensive means, beginning in FY2016. Without this funding, these school districts may not have sufficient funding to run these residential schools.</i>

FY2008 AMD: Executive Administration Efficiencies <i>The Executive Administration position and partial funding removal is based on internal efficiencies. The position was short funded and vacant. Efficiencies were gained through reallocation of duties among staff. PCN 05-1769 will be deleted by this adjustment. Current operational functions will not be affected by this reduction.</i>

<i>The department joined the Interstate Compact for the Educational Opportunity for Military Children in accordance with 14.34.010 in 2009. As part of this Interstate Compact, the Alaska Council on Education for Military Children was created and members appointed by Governor Parnell in 2010. The purpose of joining the compact was to eliminate some of the barriers that face children of military personnel as they transition from one school system to another. While the armed services has done much to ease the transition for children of military personnel, there is much that can also be done at the state and local levels to ensure that these children are afforded the same opportunities for educational success as other children. This support will provide funding for the compact dues as well as costs associated with departmental representation at state and national meetings.</i>

FY2018 Savings from Shared Services of Alaska	Dec	-9.5	-9.5	0.0	0.0	0.0	0.0	0.0	0.0	0	0	0
Implementation												
<i>The Department of Education and Early Development is transferring an initial wave of positions to the Shared Services of Alaska organization for accounts payable, and travel and expense activities.</i>												
<i>It is anticipated that an initial ten percent savings in personal services costs can be realized in FY2018 for these activities, with increased savings in future fiscal years as the organization matures.</i>												
<i>The remaining personal services authority will be used to fund a reimbursable services agreement with Shared Services of Alaska for the cost of services provided.</i>												
<i>The Shared Services organizational structure provides back-office support for common administrative functions, allowing the agency to focus more closely on core mission responsibilities.</i>												
<i>The Shared Services organization model will increase the quality and speed of service delivery, and increase client satisfaction while decreasing the overall cost to the department for performing these functions. This is achieved through a business structure focused on continuous process improvement that includes standardizing business processes and improving transaction cycle-times.</i>

FY2012 AMD: Bring Interagency Receipts On-Budget For Longitudinal Data System Rather Than Continue With Unbudgeted RSA	Inc	610.0	250.0	23.0	125.0	16.0	196.0	0.0	0.0	0	0	0
<i>This request adjusts the interagency receipts authority to align with anticipated expenditures for the Alaska Longitudinal Data System (LDS) and to mitigate the need for an unbudgeted reimbursable services agreement (RSA).</i>												
<i>The Alaska LDS is a data portal for obtaining education data for analysis, federal and state reporting, and policy and decision making for the Alaska education system, stakeholders, and employees.</i>												
<i>The Alaska LDS project phases: I -- Data Dictionary - completed II -- Data Warehouse - completed III -- Reporting Portal -- in progress IV -- Vertical SIF Infrastructure (State Report Manager) - completed V -- School Finance and Grants administration -- future ALASBO replacement VI -- School Facilities Data and Geocoding -- future VII -- Staffing and Teacher Certification -- in progress</i>												
<i>While this request was not included in the FY2012 Governor's Budget submitted December 15, 2010, additional analysis within the department has determined that it would be more efficient to bring the interagency receipts on-budget.</i>

FY2014 Reduce Authority to Align Budget to Anticipated Revenue	Dec	-325.0	0.0	-23.0	-286.0	-16.0	0.0	0.0	0.0	0	0	0
<i>A reduction to interagency receipt authority is necessary to accurately align the Information Services budget with anticipated revenue. The interagency receipt authority was originally increased to provide budgeted authority for an internal reimbursable services agreement (RSA) in support of network services infrastructure related to data collection. However, the services of this unit will not be required since the work will be performed by staff within the requesting component and an RSA will not be executed. The excess authorization artificially inflates the interagency receipts actually budgeted in the Information Services component.</i>

<i>Grant 180.04 The MH Trust: AB-Gov Cncl: Center for Autism Training, Resources, &amp; Training will continue funding to provide statewide system change through education consultation, and support to families, community members, agency personnel, educators, community mental health providers, direct service workers, private sector and those who experience an Autism Spectrum Disorder (ASD). The project is managed by the Department of Education and Early Development through a contract with the Special Education Service Agency.</i>												
<i>Autism training and education is a critical component of an overall autism initiative. By providing resources, training, consultation and referral to school districts, professionals, family members and others, the needs of children with autism are more adequately and appropriately addressed. This neurodevelopmental disorder is complex, but with appropriate intervention, many symptoms of autism can be greatly reduced or ameliorated.</i>												
<i>This project was funded in FY08 with \$200.0 MHTAAR and is maintained at that level in FY09 with \$200.0 MHTAAR.</i>												
1092 MHTAAR (Other)		200.0										
FY2009 MH Trust: AB-Gov Cncl - Rural Secondary Transition	Inc	100.0	0.0	0.0	0.0	0.0	0.0	100.0	0.0	0	0	0
<i>Grant 1441 The MH Trust: AB-Gov Cncl: Rural Secondary Transition project continues funding to help students successfully transition from school to adult life. Students make connections with agencies and community partners to support their dreams and goals after high school. Community teams gain skills in transition planning and service delivery as well as in mapping resources and making effective use of those resources. The project is managed by the Department of Education and Early Development Division of Teaching and Learning Support, which in turn grants funds to the South East Regional Resource Center to conduct rural secondary transition activities.</i>												
<i>In rural, remote communities there are limited services and even less paid employment. The project identifies the greatest resources in rural, remote communities - its residents. Mapping the skills of local community members results in identifying those residents with skills to offer youth (e.g., hunting, gathering, carving, doll making). Mapping the needs of local residents (e.g., elder care, personal care assistance, welding, baking), results in identifying areas of study whether it be provided by the school, local residents, regional vocational training programs and/or post-secondary education programs.</i>												
<i>The MH Trust: AB-Gov Cncl: Rural Secondary Transition project was funded in FY08 with \$100.0 MHTAAR. In FY09 funding request is \$50.0 MHTAAR and \$50.0 GF/MH, maintaining this project's momentum of effort.</i>

FY2010 Add MH Trust Recommendations for Rural Secondary Transition	Inc	150.0	0.0	0.0	0.0	0.0	0.0	150.0	0.0	0	0	0
<i>Grant 1441</i>												
<i>The MH Trust: AB-Gov Cncl: Rural Secondary Transition project continues funding to help students successfully transition from school to adult life. Students make connections with agencies and community partners to support their dreams and goals after high school. Community teams gain skills in transition planning and service delivery as well as in mapping resources and making effective use of those resources. The project is managed by the Department of Education and Early Development Division of Teaching and Learning Support, which in turn grants funds to the South East Regional Resource Center to conduct rural secondary transition activities.</i>												
<i>In rural, remote communities there are limited services and even less paid employment. The project identifies the greatest resources in rural, remote communities - its residents. Mapping the skills of local community members results in identifying those residents with skills to offer youth (e.g., hunting, gathering, carving, doll making). Mapping the needs of local residents (e.g., elder care, personal care assistance, welding, baking), results in identifying areas of study whether it be provided by the school, local residents, regional vocational training programs and/or post-secondary education programs.</i>												
<i>The MH Trust: AB-Gov Cncl: Rural Secondary Transition project was funded in FY09 with \$50.0 MHTAAR and \$50.0 GF/MH. The FY10 funding request is \$150.0 GF/MH, maintaining this project's momentum of effort.</i>

FY2011 MH Trust: Gov Cncl - Grant 180.06 AK												
Autism Resource Ctr/Ctr for Training,												
Resources & Parent Support (continued)												
<i>Recently released national prevalence data reveal that one in 150 children have ASD (Centers for Disease Control and Prevention -- 2007). While Alaska does not track autism prevalence, in 1994 37 children enrolled in special education were classified as having autism: in 2008 that number has grown to 607, an increase of approximately 1540 % (Alaska Department of Education &amp; Early Development, 1994 to 2008)</i>												
<i>The Alaska Autism Resource Center (AARC) serves the needs of individuals with ASD, their families, and care providers throughout Alaska. AARC is an important information &amp; referral and general training program providing services statewide.</i>												
<i>In the last year AARC provided training to 1500 Alaskans, communicated with and educated 2600 Alaskans through health fairs and community events, and distributed 550 posters. 133 books on Autism were purchased and distributed in libraries statewide. In 2008 these books were checked out 200 times. The AARC has an online Library. Two particular bibliographies (Autism Disorder &amp; Pathfinder to Information on Autism and Asperger's Syndrome) have had close to 4000 "hits" showing a dramatic increase from the previous year. To date in 2009, AARC has had cumulative site hits of almost 40,000.</i>												
<i>In terms of future goals AARC is planning to open an outreach office in Fairbanks or Bethel or both if funding allows, organize and sponsor the second annual autism walk in Anchorage, continue to partner with Barnes &amp; Noble in Anchorage and Fairbanks to raise funds to purchase books on autism and distribute to community libraries, continue to sponsor the Autism Society of America, Golden Hearts Chapter by supplying materials and hosting membership events (Barnes &amp; Noble, Health Fairs, Autism Walks, other as appropriate), complete a 300-500 poster mailing to schools (specific personnel to be determined) and other as determined in collaboration with behavioral health, and work with a state representative to have an autism license plate bill presented and passed by the state (already exists in Ohio).</i>

FY2012 Correct Unrealizable Fund Sources for Personal Services Increases	FndChg	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0.0	0	0	0
<p><i>The Division of Teaching &amp; Learning Support, Student &amp; School Achievement component receives numerous federal grant awards for multiple fiscal years with specific administrative caps to pay for personal services expenditures associated with managing the programs. These grants have budgets that are approved and set for several years at a time once the funds are awarded. The allocation for the No Child Left Behind administrative costs was approximately \$1,141.8 in FY10 which included carry over from FY09 and additional ARRA administrative allocations. The FY11 allocation is only \$766.6 with little carry over from FY10.</i></p> <p><i>This component is already absorbing the additional personal services expenditures due to salary adjustments and health insurances increases identified during the FY11 budget process. These increases were estimated to be \$132.5 for FY11 but no new additional federal revenue is available to offset these costs. The estimated FY12 increases are projected to be \$205.7 under the federal receipts funding category, once again, with no new additional federal revenue available to cover the actual expenditures. This has the potential to create a shortfall of \$338.2 in the personal services line item accumulated over the two year fiscal year cycle using unrealizable fund sources during the budgeting process. These become unallocated reductions to the program by default. The Division of TLS would be forced to consider vacancies for long periods of time or layoffs in a unit with a significant and unrelenting workload providing services that are core to the mission of the department and are in line with the constitutional mandate for a public education system.</i></p> <p><i>The OMB calculation for the FY12 personal services adjustments (HI, BU, COLA, Geo Diff) were initially calculated using the FY11 Management Plan personal services module. For EED, in the Student &amp; School Achievement component, PCN 05-T044 was changed from a LTNP to a PFT position to support the Governor's DVSA initiative and the EED Alaska School Health/Safety Plan. In the FY11 Management Plan scenario this PCN was funded via an interdepartmental RSA from the Governor's Office (I/A Receipts). As a result of the FY11 Management Plan funding source for this PCN, the FY12 personal services adjustments calculated the allocated increase in the I/A funding source. However, for FY12, this PCN will be 100% funded directly by General Funds as opposed to I/A Receipts. There are no PCNs funded by IA Receipts within this component - all IA Receipt funds are maintained in the grant line. This request is to change the funding source from the IA Receipts to General Fund.</i></p>

Autism Resource Center (continued)												
<i>Alaska in rural, remote and urban areas. SESA provides direct (office visitations in Anchorage &amp; Fairbanks) and indirect services to individuals with autism spectrum disorders (ASD), community members, families, caregivers, professionals, students and service providers throughout the state of Alaska. This project provides services to all Alaskans, birth through life, whether directly affected by autism, living with someone with autism, first responders, service providers, caregivers, medical providers, and others wanting to learn more. SESA provides information about services available, referral information, newly diagnosed support, training, and consultation via on-site and distance delivery. The Special Education Service Agency (SESA) currently has the contract to operate the AARC. Although incremental changes have occurred on behalf of children and adults with Autism Spectrum Disorders in Alaska, the pace and amount of change has been inadequate to meet the needs. Alaska does not have a system to capture the prevalence of ASD, but as in other states, the educational and service delivery systems have experienced an increased demand of ASD-specific intervention. Further, families with children who experience ASD are often not aware of the existing resources available in Alaska and struggle to obtain effective intervention strategies. The AARC is a resource that families desperately need to support them in their resource navigation efforts. With this funding AARC will do the following: Work toward building a relationship with the Alaska Native Medical Center, and more rural community health clinics Develop new trainings and coursework based on evidence-based practices in autism and expand delivery methods to include distance delivery credit courses, videoconferences, teleconferences, and DVD. Assist community members in conducting support groups, in person and distance, for individuals with autism and their families. Work toward building relationships with more tribal entities. Research agencies in Alaska that could benefit from SESA services that have not utilized them in the past and distribute information and resources. Work with the State Autism Team Training Subcommittee to analyze the past and present training opportunities and topics that are offered in the state by all agencies. Then utilize that data to determine the areas of the state, topics, and best practices that SESA is not reaching along with which trainings are being duplicated by agencies. Develop a client survey to determine the effectiveness and convenience of AARC services. Expand Autism Awareness Month events into rural and remote areas of the state. Reconfigure data collection systems to include quality of services data in addition to quantity of services by collecting a variety of types of data including client satisfaction, client opinion on services, and measure of actual knowledge obtained from services. Accommodate the growth of the AARC, develop and maintain a system for distance support, communication, and collaboration between the Anchorage and Fairbanks offices and staff.</i>

	FY2013 Alaska Comprehensive System of Statewide Assessments Contractual Increases	750.0	0.0	0.0	750.0	0.0	0.0	0.0	0.0	0	0	0
	<i>The Department of Education &amp; Early Development (EED) has been entrusted by the Alaska State Legislature to fulfill the constitutional mandate to establish and maintain a system of public schools. In doing so, the State Legislature has provided the department with a legal obligation through statutory authority under Alaska Statutes Chapter 14 in general for maintaining a public school system which includes assessments that have been approved and adopted by the State Board of Education through regulations (4 AAC 06).</i>											
	<i>The Department of Education &amp; Early Development has conducted two separate formal solicitation processes in recent years to competitively seek a contractor to fulfill the services required by the state. The current vendor has been successful in offering proposals under the two solicitations. The first award was estimated to save the state \$12 million over the life of the contract based on the costs estimates at that time and the previous vendor, using Alaska developed tests, was only testing in three grades along with the High School Graduation Qualifying Examination. The State now has the Standard Based Assessments, Alaska developed and owned, in grades 3-10 under the current contractor. The previous vendor did not offer a proposal that was responsive due to the amount of funding available to the state to pay for the services.</i>

<b>Teaching and Learning Support (continued)</b>												
<b>Student and School Achievement (continued)</b>												
FY2013 Alaska Comprehensive System of Statewide Assessments Contractual Increases (continued)												
<i>The second solicitation process generated a similar outcome where the only other proposal was determined to be non-responsive due to the funding limitations prescribed in the budget and was \$17 million dollars higher over the life of the contract than the successful vendor currently under contract.</i>												
<i>As part of the public procurement process, the state must negotiate in good faith and providing an annual increase based on the scope of work required by the agency must be agreed upon. The funding in the amount of \$250.0 for the negotiated annual increase is not contained within the department's budget and must be requested through the legislative process.</i>												
<i>Increases related to the contract can be attributed to development, implementation, and administration for the following:</i>												
<i>Standards Based Assessments (SBA) for students in grades 3-10 in mathematics, reading and writing; SBA for students in grades 4, 8 and 10 in science; High School Graduation Qualifying Examination (HSGQE) for students in grade 10 (this test is combined with the SBA 10th grade assessment); HSGQE Retest exam for students who have previously taken the exam and were unsuccessful on all or parts of the exam, most frequently in grades 11 and 12, as well as adults; Interim assessments to be used by educators for formative assessment information in grades 3-10 in reading, writing, mathematics and science.</i>												
<i>EED has been diligent in containing the costs to the state of the assessments contract which is documented by the responses received through an open, competitive process. The cost savings referenced above assists in illustrating the successful efforts made by this agency.</i>												
1004 Gen Fund (UGF)		750.0										
FY2013 Alaska Technical and Vocational Education Formula Funding	Inc	32.5	0.0	0.0	0.0	0.0	0.0	32.5	0.0	0	0	0
<i>This request is for an increase in authorization for the Alaska Technical and Vocational Education Program (TVEP) funding to match revenue projections from the Department of Labor and Workforce Development for FY2013.</i>												
<i>The FY2013 TVEP Distribution calculations prepared by the Department of Labor and Workforce Development on September 6, 2011, estimates that there will be \$10,898.0 available to distribute, which is an increase over FY2012 of \$812.7. In the formula, Galena receives 4% of the available distribution.</i>												
<i>These funds support a grant to the Galena School District estimated at \$435.9 for FY2013.</i>

FY2013 CC: Funding for the Support of a Statewide Literacy Program (continued)

*The literacy program supports professional development in literacy, as well as provides the core skill requirements for entry into the public school system for both public and private early childhood programs. Professional development will be delivered in three ways:*

- 1) *A literacy institute modeled after a very successful institute that was hosted in 2011 for intervention school districts;*
- 2) *Distance education through the use of an Alaska reading course; and,*
- 3) *Directly to districts, conferences or other venues by the department's content specialist in literacy.*

*Outreach to public and private early childhood providers, as well as parents, will include distribution of the Blueprint, which includes materials and presentations promoting language and literacy development in preparation for strong connections and success in the K-12 school system; and public awareness around what it takes to be prepared for success in the K-12 school system through a program called "I Am Ready", an early learning activities booklets for infants, toddlers and preschoolers, and the "Babies on Track" DVD .*

1004 Gen Fund (UGF)	150.0											
FY2013 MH Trust: Gov Cncl - Grant 180.08 AK Autism Resource Center		100.0	0.0	0.0	0.0	0.0	100.0	0.0	0	0	0	0

*The AARC is a project that shares information and resources about autism to individuals across the state of Alaska in rural, remote and urban areas. SESA provides direct (office visitations in Anchorage & Fairbanks) and indirect services to individuals with autism spectrum disorders (ASD), community members, families, caregivers, professionals, students and service providers throughout the state of Alaska. This project provides services to all Alaskans, birth through life, whether directly affected by autism, living with someone with autism, first responders, service providers, caregivers, medical providers, and others wanting to learn more. SESA provides information about services available, referral information, newly diagnosed support, training, and consultation via on-site and distance delivery. The Special Education Service Agency (SESA) currently has the contract to operate the AARC.*

*Although incremental changes have occurred on behalf of children and adults with Autism Spectrum Disorders in Alaska, the pace and amount of change has been inadequate to meet the needs. Alaska does not have a system to capture the prevalence of ASD, but as in other states, the educational and service delivery systems have experienced an increased demand of ASD-specific intervention. Further, families with children who experience ASD are often not aware of the existing resources available in Alaska and struggle to obtain effective intervention strategies. The AARC is a resource that families desperately need to support them in their resource navigation efforts.*

*With this funding AARC will do the following:*

- Work toward building a relationship with the Alaska Native Medical Center, and more rural community health clinics*
- Develop new trainings and coursework based on evidence-based practices in autism and expand delivery methods to include distance delivery credit courses, videoconferences, teleconferences, and DVD.*
- Assist community members in conducting support groups, in person and distance, for individuals with autism and their families.*
- Work toward building relationships with more tribal entities.*
- Research agencies in Alaska that could benefit from SESA services that have not utilized them in the past and distribute information and resources.*

FY2014 Kindergarten through Third Grade Literacy Project	Inc	320.0	0.0	0.0	320.0	0.0	0.0	0.0	0.0	0	0	0
<i>The literacy project will provide for pre and post screening assessments for students in kindergarten through third grade (approximately 40,000 students). The screening assessments will provide schools early identification for students who show signs of deficits in early literacy. Early identification needs to be intentional and systematic across the state in efforts to maintain the integrity of the data. The data gathered from these assessments can then be used locally by teachers, parents and school to intervene as needed. The data will be entered into the department-hosted statewide system and will be available to other teachers and schools as students move from one community to another.</i>												
1004 Gen Fund (UGF)		320.0										
FY2014 CC: Adopted \$1.1 million of the \$5.162 million Senate increment for Digitizing Education (Alaska Learning Network)	Inc	1,100.0	0.0	0.0	1,100.0	0.0	0.0	0.0	0.0	0	0	0
<i>The Alaska Learning Network (AKLN) -- \$1,100.0: AKLN is a rigorous distance delivery model of education that equalizes opportunity for students around the state and offers students opportunities for credit recovery, dual credit with the University of Alaska (UA), and access to courses that qualify for the Alaska Performance Scholarship (APS). It is not simply a delivery of materials to be completed but a connection between an Alaskan highly qualified teacher and a school to provide pre and post assessments for students to assure proper placement in classes, online synchronous and/or asynchronous support and delivery of materials and instruction, and local support for a student with encouragement, learning assistance, and encouragement for timely completion.</i>												
<i>AKLN is a consortium of all 53 school districts who currently offer a variety of online opportunities from outside vendors with an equal variety of quality and rigor. The AKLN model is a cost efficient method of providing classes in which districts who offer teachers to teach courses can trade seats rather than funding to provide additional course opportunities for students in their own district.</i>												
<i>Currently AKLN offers 44 classes for APS, 14 of them "Made in Alaska," but is unable to offer necessary support or training for teachers and is unable to sustain its current program without funding. The cost proposal includes funds for creating new Alaskan developed courses; training teachers in online delivery, website hosting, hardware and software support, blended learning camps, and training in digital literacy; purchasing additional courses from</i>

<p><i>The Alaska Autism Resource Center (AARC) provides information, resources, and training about autism to individuals across the state of Alaska in rural, remote and urban areas. The AARC supports all Alaskans, birth through life, whether directly affected by autism, living with someone with autism, community members (first responders, service providers, caregivers, medical providers), and others wanting to learn more about autism. The Alaska Autism Resource Center (AARC) provides statewide system change through education consultation, and support to families, community members, agency personnel, educators, community mental health providers, direct service workers, private sector and individuals who experience an Autism Spectrum Disorder (autism). Autism training and education are critical components of Alaska's overall autism initiative. The needs of individuals with autism are addressed by providing resources, training, and consultation to school districts, professionals, family members and other interested parties. This neurodevelopmental disorder is complex, but with appropriate individual and environmental interventions and supports, many individuals with autism develop the necessary coping skills to live, learn, and work in society. The AARC is managed by the Department of Education &amp; Early Development through a contract with the Special Education Service Agency. This FY2016 funding increment maintains the FY2015 funding level and momentum of effort.</i></p>

<b>State System of Support</b>												
FY2011 Add 3 PFT Content Specialists for Math, Science, and Reading	Inc	291.7	291.7	0.0	0.0	0.0	0.0	0.0	0.0	3	0	0
<i>The 3 new Education Specialist II (R21) positions will support 4 ACC 06.872, State System of Support team (SSOS), Moore vs. the State of Alaska, and other districts requiring assistance.</i>												
<i>The Department of Education and Early Development conducts a yearly school-level desk audit of every school in the state. This desk audit analyzes school-wide data in three areas: adequate yearly progress (AYP), proficiency levels of student subgroups on the standards based assessments (SBAs), and the school index value. Additionally, analysis of SBA data over consecutive years for subgroups of students considers whether there is evidence of improving achievement within those subgroups.</i>												
<i>A school is subject to further analysis beyond the desk audit if:</i>												
<i>* it does not meet AYP; and</i>												
<i>* has fewer than 50% of its full-academic year students score proficient or higher in reading, writing, or mathematics; and</i>												
<i>* has a school index value of 85 or lower.</i>												
<i>A school meeting these criteria is said to be an "872" school (after the law regulating the school level desk audit, 4 AAC 06.872).</i>												
<i>In addition, the state is closely assisting 5 school districts that are in need of improvement under No Child Left Behind (NCLB), failing to make district-wide adequate yearly progress for over 5 years.</i>												
<i>Each content specialist will work with school districts to help them align their curriculum to Alaska Grade Level Expectations in Reading, Math and Science. The content specialists will serve as a resource for the State System of Support team and their Technical Assistance Coaches. Additionally, the content specialists will collect, report and analyze student performance data in the areas of reading, math and science; serve on advisory committees; search for and potentially secure grants; as well as determine which professional development opportunities afford the most potential for increasing student achievement and then work with department and school district staff to make those opportunities available to teachers throughout the state.</i>

FY2013 Authorization Increase for Additional Teacher Certification Receipts	Inc	150.0	0.0	0.0	150.0	0.0	0.0	0.0	0.0	0	0	0
<i>This request will increase the Teacher Certification authorization to receive fees from districts to support an alternate route to teacher certification (AKT2).</i>												
<i>The Alaska Transition to Teaching (AKT2) program offers an alternative route to secondary teacher certification in Alaska. AKT2 recruits individuals who hold a bachelor's degree such as recent college graduates, highly qualified mid-career professionals, education paraprofessionals, and former military personnel. This teacher certification program prepares candidates accepted into the program to become teachers in rural high-needs schools in AKT2's 15 partner districts.</i>

<b>Teaching and Learning Support (continued)</b>												
<b>Teacher Certification (continued)</b>												
FY2013 Authorization Increase for Additional Teacher Certification Receipts (continued)												
<i>All AKT2 candidates must hold at least a bachelor's degree from a regionally accredited institution in an endorsable area. In past years there has been a lower need for teachers outside the core content areas of English, mathematics, and science. In order to make themselves more marketable to AKT2's partner districts, individuals wishing to teach in areas like social studies, history, business, art, and music are encouraged to pass Praxis II assessments in areas of higher need before the March hiring season begins.</i>												
<i>AKT2 is an alternate route to certification, that allows candidates to transition into teaching without the typical hardship and expense of leaving the paid workforce. Unlike many traditional certification pathways that involve heavy tuition fees, take up to a year or more of pre-service coursework, and are designed so that the student is unable to work during their teacher preparation, AKT2 is an intensive five month program that allows candidates the opportunity to complete coursework online, while working full-time. Working with Alaskan teachers AKT2 candidates complete a six-week internship in Alaska during the summer. Those that have obtained teaching positions in a partner district become initially certified, and are teachers of record during the fall following their internship and coursework.</i>												
<i>After successfully completing two years of teaching in a partner district and all requirements of the AKT2 program, candidates receive a state recommendation for professional teacher certification.</i>

<b>Teaching and Learning Support (continued)</b>												
<b>Pre-Kindergarten Grants (continued)</b>												
FY2015 Restore Pre-Kindergarten Program to Current Level of Service (continued)												
<i>Maintaining the Pre-Kindergarten grant program for FY2015 at \$2,000,000 will provide funding to support at the FY2014 levels of services. These funds will maintain the number of students and communities served. Funds are awarded to school districts through a competitive grant process.</i>												
<i>In FY2015, the program will have a continued focus on connections across classroom, school, and community systems looking to accomplish the following: enhance the intentionality of the interactions between the adults and the children to better provide instructional, emotional, and classroom organizational supports for children's learning and development; build on the connections between standards, assessment, curricula, and data to guide the activities and interventions provided in the classroom; strengthen alignment with and transition to kindergarten and K-12; improve outreach to parents, communities, and the programs that serve children under four years old; and, share what is working for Pre-K programs with other early childhood programs. If the current level of funding is not maintained, fewer children and communities will be served; thereby reducing the potential for more early learners to be adequately prepared for the school environment.</i>												
1004 Gen Fund (UGF)		2,000.0										
FY2016 Eliminate Pre-Kindergarten Grants	Dec	-2,000.0	0.0	0.0	0.0	0.0	0.0	-2,000.0	0.0	0	0	0

FY2017 Eliminate Funding for Pre-Kindergarten Grants	Dec	-2,000.0	0.0	0.0	0.0	0.0	0.0	-2,000.0	0.0	0	0	0
<i>Delete funding for Pre-Kindergarten Grants. These funds serve a small portion of Alaska's pre-kindergarten population. While the funds provide support for a program that evidence overwhelmingly shows to increase student achievement, and also engages the pre-K community, there is not enough funding to equitably serve the pre-K population on a statewide basis. The department supports the Pre-Kindergarten Grant program but believes it should be administered at a statewide level. This reduction is appropriate to maintain the department's most important services and functions, which first serves Alaskan school districts and K-12 students.</i>

Adjustment for the Existing Bargaining Unit Agreements												
<i>The ASCA federal receipts are used for grants and technical services to eligible recipients and the demand for the both categories increases annually. Typically, grant funds are exhausted prior to the end of the fiscal year. The National Endowment for the Arts also requires that ASCA participate in certain programs mandated and funded by the NEA, such as Native Arts programming, grants and services to rural communities, and the Poetry Out Loud high school poetry competition. Therefore, general funds are necessary to support the salary adjustment so the component can fully fund agency grants and services that are essential in executing the mission of ASCA.</i>

FY2013 Interagency Receipts for Reimbursable Service Agreements	IncM	7.0	0.0	4.0	0.6	2.4	0.0	0.0	0.0	0	0	0
<i>This increase in Interagency Receipt authority is a technical fix and will mitigate the need for an unbudgeted Reimbursable Service Agreement (RSA) with the Office of the Governor. This RSA supports the annual Governor's Awards event sponsored by the Alaska State Council on the Arts.</i>												
<i>The annual Governor's Awards for the Arts and Humanities is the opportunity for Alaskans to recognize those individuals and organizations that contribute in a major way to the arts, history, native languages, and overall quality of life in Alaska.</i>												
<i>The Governor's Awards for the Arts &amp; Humanities is a partnership event of the Alaska State Council on the Arts, the Alaska Humanities Forum and the Alaska Arts &amp; Culture Foundation. Each year, awards are presented in the following categories: Arts Advocacy, Business Leadership in the Arts, Alaska Native Arts &amp; Languages, Alaska History and Culture Teacher of the Year, Individual Artist, Lifetime Achievement in the Arts, Alaska Native Artist, Distinguished Service to the Humanities, Arts Organization, Arts Education, and Distinguished Leadership in the Arts &amp; Humanities.</i>

FY2014 Rasmuson Foundation Harper Arts Touring Program	Inc	80.0	0.0	0.0	20.0	0.0	0.0	60.0	0.0	0	0	0
<i>The Alaska State Council on the Arts (ASCA) is a state agency that fosters the development of the arts for all Alaskans through education, partnerships, grants and services. Beginning in FY2012, the Rasmuson Foundation engaged the services of the Alaska State Council on the Arts to manage and administer their Harper Arts Touring grant program. The Harper Arts Touring program helps stimulate access to high quality performing arts in communities throughout Alaska, including traveling arts and cultural exhibits. This Rasmuson funding program helps encourage tours of Alaska's performing arts and builds capacity of organizations in small communities. While the initial agreement with Rasmuson Foundation for ASCA to administer the Harper Arts Touring grant program began in FY2012, at that time there was no clear assurance that the services of ASCA would be needed in coming years. Rasmuson Foundation has since notified ASCA of its interest in renewing ASCA's services for the Harper Arts Touring grant administration for the foreseeable future. As such, ASCA is requesting an increase to the statutory designated program receipt authorization.</i>												
<i>ASCA is respectfully requesting \$80,000 additional Statutory Designated Program Receipt (SDPR) authorization</i>

Authorization for Rasmuson Funding for the Harper Arts												
Touring Program												
<i>The Alaska State Council on the Arts is a state agency that fosters the development of the arts for all Alaskans through education, partnerships, grants and services. In FY2014, the Rasmuson Foundation will engage the services of the Alaska State Council on the Arts (ASCA) to continue administration of the Harper Arts Touring program and to manage the planning and implementation of a new program, the Youth Cultural Heritage program. The amount of funding provided by Rasmuson for these programs has been increased from \$220,000 to \$380,000 beginning in FY2014 and continuing into the foreseeable future.</i>												
<i>The Harper Arts Touring program provides grants to stimulate access to high quality performing arts in communities throughout Alaska, including traveling arts and cultural exhibits. The program helps encourage tours of Alaska's performing arts, and builds the capacity of organizations in small communities.</i>												
<i>The Youth Cultural Heritage program supports strategies for youth that focus on cultural heritage at the intersection of arts education. The program provides grants to eligible nonprofit organizations and school-based programs to directly engage youth in cultural heritage programs and events, and to provide exposure to cultural materials, traditional instruments and tools associated with cultural celebration and practice.</i>												
<i>Authorization for a \$160.0 statutory designated program receipts (SDPR) for the Harper Arts Touring and Youth Cultural Heritage grant program is needed. There is no general fund match requirement, and no new positions are needed.</i>												
<i>ASCA will be able to receive and expend grant funds by disbursing them to eligible non-profit organizations in Alaska for the purpose of making the performing arts and cultural heritage programs available in their communities. This funding opportunity aligns with ASCA's long-term plans and mission to foster the development of the arts for all Alaskans through education, partnerships, grants and services.</i>

<i>Add statutory designated program receipt authorization to accept additional grant funding from the Margaret. A Cargill Foundation.</i>												
<i>In 2014, the Margaret A. Cargill Foundation (MACF) approached the Alaska State Council on the Arts (ASCA) and issued an invitation to apply to be an intermediary grantee for an arts education grant program they were developing for Alaska. ASCA was ultimately one of a small number of Alaska-based entities that received a grant to conduct an initial planning process that identifies partners and develops a plan for increasing the number and tenure of confident, competent K-12 generalist and specialist teachers of the arts in Alaska. ASCA selected a cohort of partners in Kodiak for this project: Kodiak Island Borough School District, Kodiak College, Alutiiq Museum, and the Kodiak Arts Council. The planning process was completed in July 2015; and in late-June, ASCA submitted an application to MACF for support over the next two years to implement the plan. The subsequent grant award will be to support the first two-year term of what is currently being planned as a 10-year initiative.</i>

FY2017 Reduce Funding for Broadband Grants  
to School Districts (continued)

*Grants will be reduced pro-rata to expend the funding available. The pro-rata reduction, should the same number of schools apply for the same amounts of funding as in FY2016, is 80.2%. The effect will be experienced by school district grantees as they must find local funds, or other sources of revenue, to replace the amount reduced in state subsidy. Because the cost of broadband continues to decrease, the reduction should not cause bandwidth to fall below needed service levels.*

*Since the department focuses on K-12 success, this reduction is appropriate to maintain the department's most important services and functions, which first serves Alaskan school districts and K-12 students.*

1004 Gen Fund (UGF) -672.7

FY2017 AMD: Reduce Library Operations Travel	Dec	-3.3	0.0	-3.3	0.0	0.0	0.0	0.0	0.0	0	0	0
--	-----	------	-----	------	-----	-----	-----	-----	-----	---	---	---

*Reduce the travel budget authorization within the Library Operations component.*

*FY2017 December Budget: \$9,040.4*

*FY2017 Total Amendments: \$96.7*

*FY2017 Total: \$9,137.1*

1004 Gen Fund (UGF) -3.3

FY2017 AMD: Alaska State Library National Endowment for the Humanities Grant	Inc	100.0	40.0	20.0	20.0	20.0	0.0	0.0	0.0	0	0	1
---	-----	-------	------	------	------	------	-----	-----	-----	---	---	---

*The Alaska State Library is anticipating the receipt of a National Endowment for the Humanities (NEH) national newspaper digitization grant. The purpose of the grant is to digitize and put online for public access at least 100,000 pages of historic Alaskan newspapers published before 1923. The grant is for a maximum of \$325.0 would be dispersed over two federal fiscal years, coming to the State Library between October 2016 and September 2018. (That is three months of funding in FY2017; 12 months in FY2018; and 9 months in FY2019.)*

*The grant will cover direct costs for personnel time, services, and equipment needed for the project. One grant-funded non-perm Librarian I position (range 16A) will need to be added for the duration of the project, stationed in Juneau. Other personnel costs would be attributed to already-hired permanent positions in the Library, and those positions would remain in current classifications.*

*The Library requests an increase in Library Operations federal receipt authorization for FY2017. The requested increase of \$100.0 per annum will allow for the receipt of additional federal revenues.*

*The Library has \$1,200.0 in federal receipt authority in the Governor's FY2017 budget. The Library annually receives approximately \$1,000.0 in Library Services and Technology grants from the Institute of Museum and Library Services. However, the federal budget increased IMLS funding and we have not yet received an allotment for Alaska, and it is anticipated that the Library will need all the existing authorization for current grants.*

*If the change were not approved, the Library will not have enough federal authority to accept the federal grant.*

*This is a new request for FY2017. It was not included in the FY2017 Governor's request because the grant award was not known at the time the Governor's request was submitted.*

*FY2017 December Budget: \$1,200.0*

<p><i>As a partner in the Bridging the e-Skills Gap in Alaska project, funded by a federal grant to the University of Alaska, ACPE will expand its Alaska College &amp; Career Advising Corps program beyond south-central Alaska to two rural locations. This program expansion requires greater use of the Alaska Career Information System (AKCIS). AKCIS is a web-based education and career-planning resource. Its features include: interactive self-assessment tools; searchable information on occupations, postsecondary schools, and programs of study, as well as scholarships and financial aid resources. In addition, AKCIS offers job seekers with customized resume development and interview preparation tools. AKCIS is made available as a free resource to middle and high schools across Alaska. Currently 49 out of 54 districts statewide make use of AKCIS including 275 active schools. Students utilizing the program can access their personal planning information from anywhere the internet is available, which in many remote areas is a problem in its self. The Bridging the e-Skills Gap in Alaska project will also help expand AKCIS into new communities who might not otherwise have access.</i></p> <p><i>In addition to program expansion, the Bridging the e-Skills Gap in Alaska project will allow ACPE to increase networking opportunities with educational professional and build stronger relationships with other local community organizations by delivering training and professional development/continuing education through distance delivery made possible through broadband technology.</i></p>

FY2015 Increase AlaskAdvantage Education Grant Funding to \$5.5 million (statutory ratio of 1/3 of anticipated FY15 funding)	Inc	1,500.0	0.0	0.0	0.0	0.0	0.0	1,500.0	0.0	0	0	0
<i>The AlaskAdvantage Education Grant (AEG) is Alaska's state needs-based grant for residents enrolled at participating postsecondary education institutions in Alaska. Grant recipients may be awarded grants of up to \$3,000 per year for a total, over time, of no more than \$12,000. In FY2013, a total of 3,813 Alaska students received AEGs with an average award amount of \$1,035.</i>												
<i>In accordance with state statutes, the amount annually to be made available for the AEG is based on the following formula:</i>												
<i>Alaska Statute 37.14.750 establishes a proportional allocation of funding such that one-third of each year's appropriation for both grants and scholarships be allocated to grants.</i>												
<i>The total FY2015 AEG appropriation is \$5.5 million and is necessary to comply with the statutory formula given the anticipated FY2015 increase in Alaska Performance Scholarship funding to \$11 million.</i>

FY2018 Savings from Shared Services of Alaska	Dec	-7.8	-7.8	0.0	0.0	0.0	0.0	0.0	0.0	0	0	0
Implementation												
<i>The Department of Education and Early Development is transferring an initial wave of positions to the Shared Services of Alaska organization for accounts payable, and travel and expense activities.</i>												
<i>It is anticipated that an initial ten percent savings in personal services costs can be realized in FY2018 for these activities, with increased savings in future fiscal years as the organization matures.</i>												
<i>The remaining personal services authority will be used to fund a reimbursable services agreement with Shared Services of Alaska for the cost of services provided.</i>												
<i>The Shared Services organizational structure provides back-office support for common administrative functions, allowing the agency to focus more closely on core mission responsibilities.</i>												
<i>The Shared Services organization model will increase the quality and speed of service delivery, and increase client satisfaction while decreasing the overall cost to the department for performing these functions. This is achieved through a business structure focused on continuous process improvement that includes standardizing business processes and improving transaction cycle-times.</i>

FY2018 WWAMI Program Contractual Increase	Inc	106.0	0.0	0.0	106.0	0.0	0.0	0.0	0.0	0	0	0
<i>Increment for WWAMI Program based on contractual increase.</i>												
<i>The state's contract with the University of Washington, School of Medicine for the WWAMI (Washington, Wyoming, Alaska, Montana and Idaho) program is to comply with AS 14.42.033 that states, in part, that the commission (Alaska Commission on Postsecondary Education) shall enter into agreements with government or postsecondary education officials of this state or other states to provide postsecondary educational services and programs to Alaska residents pursuing a medical education degree sufficient to accommodate at least 20 new program participants each year. Services must be limited to programs unavailable in Alaska.</i>												
<i>Each state participating in WWAMI partners with the UW School of Medicine (UWSOM) to educate a fixed number of medical students from and for their state. For the first year of medical school, students study at their home state university (University of Washington, University of Wyoming, University of Alaska-Anchorage, Montana State University, or University of Idaho). Second year students from home state universities then come to the UWSOM in Seattle or Spokane for their entire second year. During the third and fourth years of medical school, students complete clinical rotations in a variety of sites and environments within the five-state region to learn and experience very different facets of medicine. For example, one month might be spent in a remote community near Nome, Alaska, another in a migrant community near Yakima, WA and another in a Level I trauma center in Seattle. The goal is to provide a rich array of clinical experiences in a variety of settings, mentored by community-based clinical faculty who volunteer their time to educate the physicians in training.</i>

<i>This increment is necessary to fully fund a marginal increase in utilization. The requested amount is based on the first four years of actual eligibility, utilization rates and estimates relative to the first four cohorts of Alaska high school graduates expected to be eligible for the scholarship.</i>												
<i>This increase is needed to cover the continuing costs of the scholarship recipients. Total funding of 11.5 million is anticipated to support approximately 3,450 students with an average scholarship amount of 3,332.</i>

FY2018 Increase Alaska Performance Scholarship Awards Program by \$250.0 to Meet Increased Demand	Inc	250.0	0.0	0.0	0.0	0.0	0.0	250.0	0.0	0	0	0
<i>Increase is for anticipated, eligible Alaska Performance Scholarship (APS) Awards. Amount is based on increased demand as the program continues to see increases in APS-eligible students choosing to stay in Alaska for college. Future increases are not anticipated now that there is a full six-year cohort, unless there is an increase in Alaska high school graduates, or changes in APS eligibility requirements.</i>

FY2018 Reduce Receipt Authorization As a Result of ACPE Position Deletions and Efficiencies (continued)

*position deletions and internal efficiencies within the Alaska Commission on Postsecondary Education (ACPE) component. ASLC receipts provide the funding for the operations of the ACPE so reductions within ACPE are also experienced within the Loan Servicing component. The Loan Servicing ASLC reduction is not a one-to-one match to the ACPE I/A reduction due a FY2017 health insurance increase that was applied to ACPE but not Loan Servicing, so this authority must remain within Loan Servicing to fully fund ACPE.*
