

**Office of the Governor  
FY24 Midyear Status Report**

<b>Item No.</b>	<b>Appropriation / Allocation</b>	<b>Description</b>	<b>Amount / Fund Source</b>	<b>LFD Questions</b>
1	Federal Infrastructure Office	Federal Infrastructure Investment and Jobs Act Implementation and Coordination (FY24-27)	\$1,000.0 Gen Fund (UGF) 4 PFT Positions	Have the four positions been filled, and if so, when?  What is this funding being used for other than positions?
<p><b>Agency Response</b> The Federal Infrastructure Coordinator position is filled, and a job offer is imminent for the Infrastructure Analyst position. With turnover in the Management position the structure of the office has been under review.</p> <p>Besides staffing costs, funding is being used for basic office expenses, travel, and contractual services with Axiom Consulting (which is assisting with infrastructure tracking project).</p>				
2	Office of Management and Budget	Reestablish Audit Unit	\$193.9 Gen Fund (UGF) 1 PFT Position	Has this position been filled, and if so, when?
<p><b>Agency Response</b> This position has not yet been filled; along with a change in OMB leadership there has been significant staff turnover which required immediate attention of the new OMB Director (along with the workload associated with meeting the December 15, 2023 budget release date).</p>
